## Experience

LightedPHP Technology

Nigeria

UI/UX Designer

Sept 2022 - Feb 2025

- Builds complex, intuitive admin panels and visualizes large data sets in clean interfaces.
- Led UI/UX design across multiple projects, including mobile applications, SaaS platforms, and web tools, from concept to high-fidelity prototyping.
- Collaborated closely with product managers and developers to shape user journeys, wireframes, and functional designs that aligned with business goals.
- Conducted user flow analysis, interaction design, and responsive layout implementation to enhance usability and engagement.

Procrea8 Tech Solutions Ltd

Nigeria

UI/UX Designer

Jan 2022 - Aug 2022

- Served as the lead UI/UX designer for multiple consumer-facing applications, including a gym scheduling app, food delivery platform, and a hauling services app.

- Designed user flows, wireframes, and high-fidelity mockups in Figma, aligning each product’s interface with user needs and business goals.
- Collaborated with product stakeholders to define feature requirements and user journeys across web and mobile platforms.
- Focused on delivering clean, intuitive experiences with attention to usability, accessibility, and responsive behavior.

Procrea8 Tech Solutions Ltd

Nigeria

Junior UI/UX Designer

Jan 2020 - Dec 2021

- Participated in design sprints and brainstorming sessions to contribute ideas and iterate on user flows and UI layouts.
- Assisted in conducting user research, gathering feedback through surveys, interviews, and usability testing to inform design decisions.
- Translated low-fidelity sketches into pixel-perfect UI designs, adhering to brand guidelines and accessibility standards.
